

# Sponsorship Package

Spotlighting Geothermal Energy

OGA Conference 2017  
**February 21 - 22**  
Hilton Mississauga/Meadowvale

# About Us

## **OGA Conference 2017**

The 7<sup>th</sup> annual OGA conference will welcome leaders in the geothermal industry from across North America. It will be the must-attend networking and knowledge building opportunity of the year for this industry. Stimulating and often provocative, OGA 2017 will spotlight some of the industry's leading doers and thinkers while responding on strategic issues and cutting edge trends.

## **Ontario Geothermal Association**

The Ontario Geothermal Association (OGA) is a not-for-profit organization representing geothermal energy system designers, drillers, installers, equipment manufacturers and distributors to advance Ontario's geothermal heating and cooling industry. The OGA strives to be a bridge between consumers, government and industry professionals while acting as a voice to increase awareness for the importance of working towards the use of a greener, cleaner and self-sustainable energy source.

# Delegate Profile

The OGA Conference draws professionals from across Ontario who specialize in the geoexchange industry:

- Senior Managers
- C-Suite Executives
- Manufacturers
